

Cooperation Agreement for the
Harvard University Allston Science Complex

By the Numbers

HARVARD
UNIVERSITY

Community
Connections

www.community.harvard.edu

Harvard University is a proud member of the Allston-Brighton community. Over the past five years, we have strengthened our community connections by...

- Deepening partnerships with our schools, neighbors and local non-profits
- Sharing our most valuable assets: teaching, research, and learning
- Creating a more sustainable environment
- Providing workforce tools, training and resources

...helping to create a foundation for future collaboration and shared growth.
