Use this form to request a written estimate of the maximum amount that HUHS charges to you and your insurance company. This may or may not be the final price that you pay for your care.*

How to use this form:
(1) Fill in Part 1.
(2) Return this form to the HUHS Patient Accounts department (Smith Campus Center; 617-496-8700).
(3) HUHS will mail a written cost estimate to you within two business days of your request.

By signing this form, I understand:

- This estimate is based on the insurance and clinical information available at the time of my request.
- This estimate does not mean that my insurance company agrees to pay for my care at HUHS.
- This estimate does not include the cost of: Quest Diagnostics or other laboratories, care provided at Harvard Vanguard Obstetrics and Gynecology, care provided by HUHS clinicians at non-HUHS locations, or the price of medicine prescribed at my visit.
- I may have to pay for other services resulting from my visit, but are not included in this estimate.
- Because this form contains information protected by the Health Insurance Portability and Accountability Act (HIPAA), I will pick this form up in person or receive a written cost estimate through the mail.

* Contact your insurance company for a cost estimate that reflects your level of benefits, deductibles, and coinsurance. For those patients enrolled in the Harvard University Group Health Plan (HUGHP) or HUSHP Student Health Insurance Plan, further guidance may be found on page 3.
