About Campus Child Care
These early-education programs comprise Campus Child Care, Inc. (CCC), an independent nonprofit organization founded in 2017 through the union of six child care centers that have been serving the Harvard University community for over 50 years. CCC exists to provide the very highest quality early care and education to children and to support their families, at Harvard and in the host communities.

The centers are supported by a central office which focuses on financial planning, administrative logistics, human resources and – most importantly – individual program assistance. If you have a question about CCC, please contact Katy Donovan at execdirector@campus-cc.org

### Standards of Quality
All of the programs have low teacher-to-child ratios, and invest above all in the adults who care for children as the most important element of high-quality care. All centers are actively engaged with the NAECY and/or Massachusetts QRIS process.

### Educational Approach
Each of the programs provides child care based in the knowledge that strong relationships among children, caregivers, and families are crucial to success. Child-centered, play-based and developmentally focused, CCC programs look to a variety of educational philosophies to guide their work.

### Schedules and Calendars
The centers are typically open from 8am to 6pm. Due to the COVID-19 crisis, CCC is operating an abbreviated day at all six centers: seven hours of care will be offered instead of the typical 10. Available hours of care will increase as the public health landscape permits.

### Parent Participation
Each of the centers was founded by and for parents. Today, every one of these programs welcomes and encourages parent participation. During the COVID crisis, parent participation is limited to out-of-center activities.

### 2021-2022 Tuitions
Tuitions are for 12-month annual contracts based on an academic year and are charged monthly, beginning in August. Due to the COVID-19 crisis, CCC will start academic year 2020-2021 with an abbreviated day at all six centers: seven hours of care will be offered instead of the typical 10. Tuitions are adjusted accordingly and will increase during the year commensurate with the number of hours offered.

### How to Get to Know Campus Child Care during the COVID-19 crisis
The centers are part of a system, but no two are just alike and families should seek the program that is the best fit for their child. Please get to know the centers individually. During the COVID crisis, tours of prospective families and open houses are not available, but you can:

- Visit Campus Child Care’s website  
- Visit centers’ individual websites  
- Learn more about CCC’s relationship with Harvard University  
- Reach out to CCC for a conversation
