Professor Lyon,  
Dear Sir }

My letter to my  
father was received in due time.  
My father could not be convinced  
that matters could be satisfactory  
without his presence. Accordingly,  
I received this morning, instead  
of the letter I expected, my  
father himself. Tomorrow  
at 2. p. m. will be at the  
museicum & I hope you  
will be perfectly satisfied &  
interested with the rest of  
the stuff he brought with  
him

respectfully  
A. Azeer
